sds

As an **M&T Displays** participation, **SDS** Company was established to take on domestic market distribution. Since the SDS scope presentation systems, SDS aims to supply all requirements of the concerned market. Towards to this target, it moved to new facility at August 2006. Thus, it finished adequate substructure to give best services and solutions to the market.

There are currently over 2000 items in the company's product line, a large portion of these materials have stock is constantly. Produced not only their own products to respond to the needs of customers on behalf of the imported products are also selling. They businesses are advertising industry, construction, packaging and automotive.

Being a mosaic of production mentality and commercial culture, SDS has been blending the experience (1993), knowledge and human resources. With these qualifications, it can understand the necessities of its clients. What's more it recommends one more step of customer necessity and it becomes not solution partner but solution leader.

Our company, where is meeting point of different sectors, is also a supplier of quality, honesty and time. SDS works hard uninterruptedly to bring last developments to you.

Establishing Company

1993 M.T Reklam
 2005 SDS
 2005 Izmir branch
 2006 Adana branch
 2009 Antalya branch

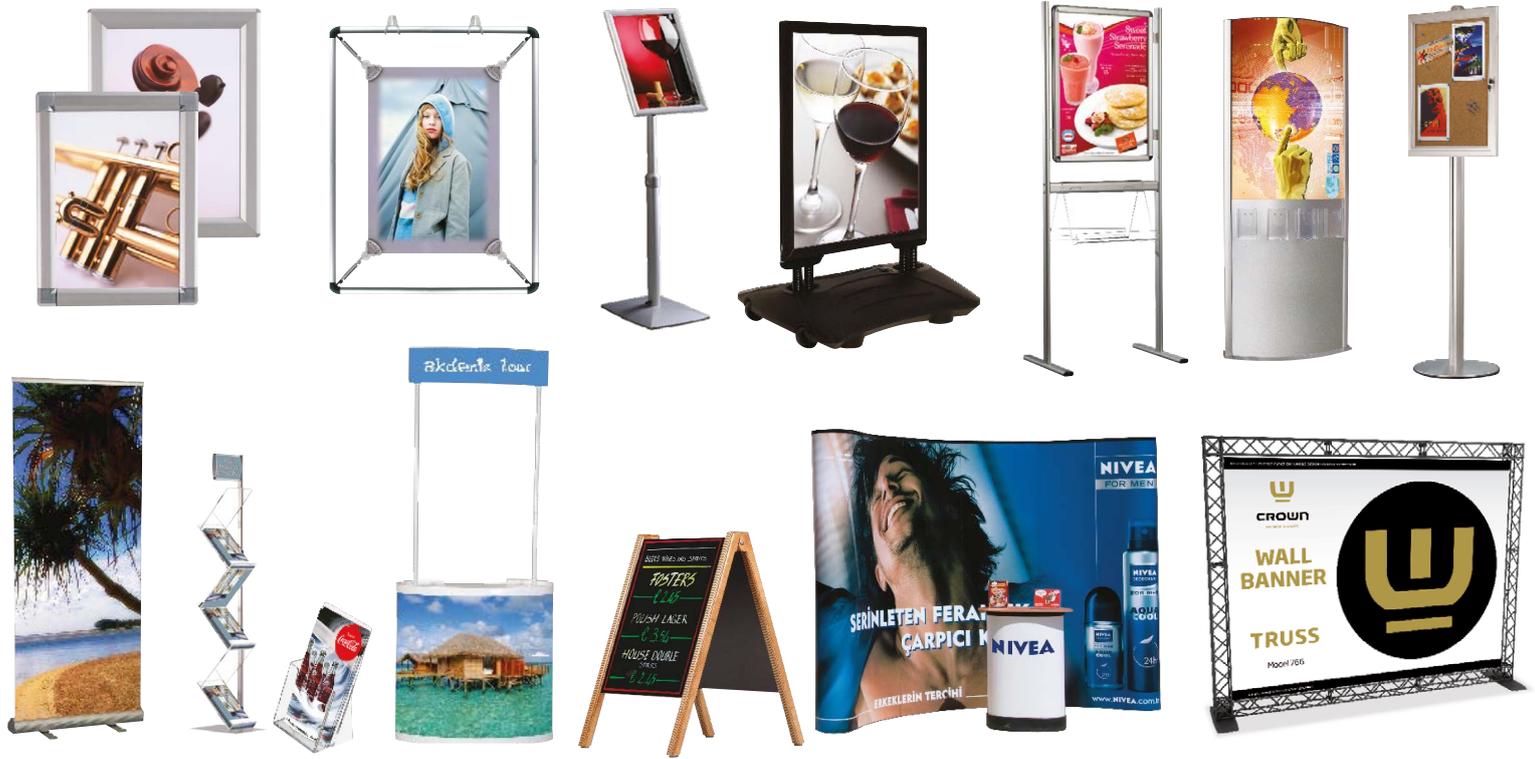

Other Businesses

2008 Yagiz milk

Specifications

- UV resistance
- High resistance to chemicals
- Good performing against weather conditions (untill +70°C)
- Perfect transparency
- Easy to process
- More than 45 different size options
- Color variations

Process

- Bending
- Drilling
- Sawing
- Fixing by screw
- Bending
- Laminating
- Milling

Application areas

- Promo stands
- Leaflet dispensers
- Separators
- Vending machines
- Indoor and outdoor decoration
- Sale stands
- Display systems

15 mm	x	x		16/10

Packing

Products are stacked on the shelves with pallets.

High quantity orders are shipped by pallets. Less quantity orders are packed with balloon nylon bags and shipped out.

Types

- Clear PET Sheet
- Coloured PET Sheet
- Antireflex PET Sheet

Qualifications

- Very high resistance to chemicals
- Excellent transparency
- Easy to fabricate
- Light weight compared to glass
- Excellent impact strength

Application areas

- Health stuffs
- Separators
- Furnitures
- Advertisement products
- Vacuuming
- Electronic devices
- Building materials

From 1,5 mm to 6 mm		x		Depending on thickness

Packing

Products are stacked on the shelves with pallets.

High quantity orders are shipped by pallets. Less quantity orders are packed with balloon nylon bags and shipped out.

Application areas

Display&Sign

- Screen printing
- Sign fond,
- Sideways board

Application areas

Green houses

- Roofing
- Ceiling cover
- Swimming pools
- Bus stations
- Noise barrier etc

Multiwall Polycarbonate

Thickness	Size	Color	Quantity in Pallet
	2100 x 6000		
4 mm	x	Clear - White - Bronze Blue - Grey - Green Turquoise	Not available as the size is too big
6 mm	x		
8 mm	x		
10 mm	x		
16 mm	x		

Packing

Products are stacked on the shelves with pallets.

High quantity orders are shipped by pallets. Less quantity orders are packed with balloon nylon bags and shipped out.

Qualifications

- Outstanding high clarity
- Superior impact strength
- Light weight compared to glass
- Good fire behaviour classification
- Easily screen printed
- Can easily be formed into gentle curves
- Excellent thermoforming properties
- Usable over a wide temperature range

Application areas

- Advertisement products
- Security equipments
- Indoor decoration
- Electronic equipments
- Medical materials

Solid Polycarbonate

Thickness	Size		Color	Quantity in Pallet
	1250 x 2050	2050 x 3050		
0,75 mm	x		Clear	425
1 mm	x			350
From 1,5 mm to 15 mm		x		Depending on thicknes

Polystyrene Sheet

Polystyrene

Thickness	Size			Color	Quantity in Pallet
	1000 x 1400	1500 x 3000	2050 x 3050		
1,2 mm	x			Grey Wavy Finish	500
1 mm		x		White	200
2 mm		x	x	White	100 / 75
3 mm		x	x	White	70 / 50

Packing

Products are stacked on the shelves with pallets.

High quantity orders are shipped by pallets. Less quantity orders are packed with balloon nylon bags and shipped out.

Zenit LED Lighting Products

With SDS assurance, we have in our stock all LED modules, LED strips and power supply models necessary for all your illuminated signboard, channel letter and totem applications.

Led and Electrical

2835 Samsung led modules with Lens 1,08w (made in Korea and Made in Turkey)

Led strips 6w-12w indoor and Ip65 outdoor options

2835 injenction led modules wiht Lens,Aluminium pcb and constant current protection 1,5w

Led strips Samsung and Osram Chip

2835 injection led modüle wiht Lens,Aluminium pcb and Constant Current protection 1,5w Square shape

Textile frame led rigit bars, backlight and edge light options

5630 injection Economical Led modules wiht Aluminium Pcb 1w

Led power Supplies indoor and outdoor options

For more information about LEDs, please ask for catalog from our sales representatives.

Qualifications

- Light metal
- Matt color
- Lower density than similar metals
- Easy to fabricate
- Good performance to corrosion
- Electrical conductivity is %64,94

Application areas

- Advertising signs
- Traffic signs
- Roof and curtaining equipments
- Composite panel
- Lighting
- Automotive
- Home decorations
- Electronic equipments
- Solar energy collectors

Aluminium

Thickness	Size
0,20 mm - 8 mm	1000 x 2000 mm 1200 x 2400 mm 1250 x 2500 mm 1500 x 3000 mm 2000 x 3000 mm

Packing

Products are stacked on the shelves with pallets.

High quantity orders are shipped by pallets. Less quantity orders are packed with balloon nylon bags and shipped out.

Qualifications

- Easy to process
- Resistant to shocks
- High rigidity and endurance
- High durability to weather conditions and U.V. rays
- Acoustic insulation and vibration dampening properties
- Temperature resistance; -50 'C - + 85 'C.

Application areas

- Wall and side curtaining & coating
- Signage
- Roofing
- Separators
- Column coating
